JAKIMES
www.jakimes.com

Since it has to be kept as a secret there are hard times
And I am in a relationship with the manager privately

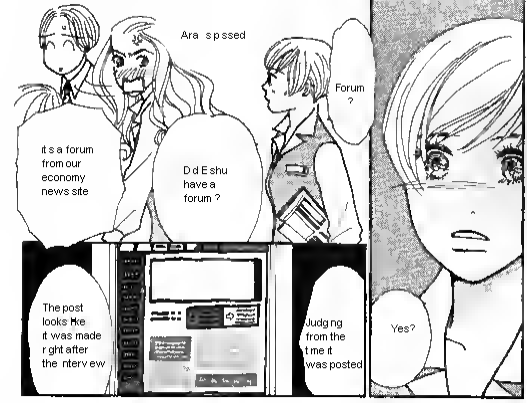

But

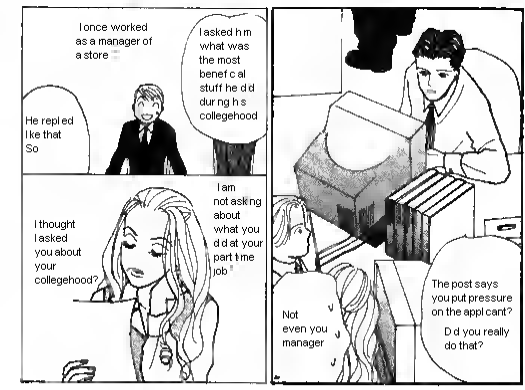

Now a days..I don't get to be nervous anymore
I would like to know the exact percentage of direct cashcard usage on this year
I have a question
Yes?
Exact ?
Numbers?
How do I look ? I looks more mature right?

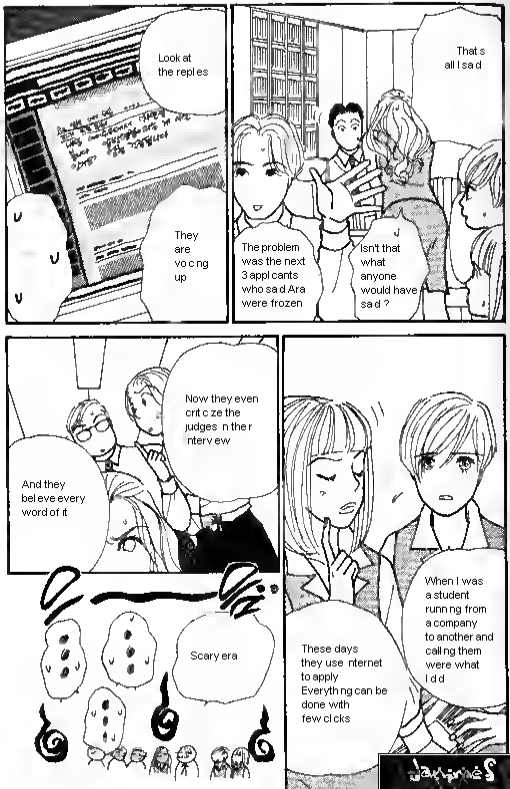

We are a couple who spend very hot times on Friday and Saturday night

Most of problems fade away by itself
When there are hard times
when the person I respect and love the most
Yea
Do you really like me ?
Mr Kashiwabara
Because Mr. Kashiwabara is the core of my pride.
Make a face that says "I can't wait to hold you tonight
I love you

Hello
Ah
Sorry
Mr Ogawa
Hello
He s b g
Kaoru come here
What s it ?
There s a thread about Ms Arai on our forum

Ara sp ssed
Forum ?
It s a forum from our economy news site
D d E shu have a forum ?
The post looks ke it was made r ght after the nterv ew
Judg ng from the t me it was posted
Yes?

I once worked as a manager of a store
I asked h m what was the most benef c al stuff he d d dur ng h s collegehood
He repl ed l ke that So
I thought I asked you about your collegehood?
I am not asking about what you d d at your part t me job
The post says you put pressure on the appl cant?
D d you really do that?
Not even you manager

Look at the replies
They are voicing up
That s all I said
The problem was the next 3 applicants who said Ara were frozen
Isn't that what anyone would have said ?
Now they even criticize the judges in their interview
And they believe every word of it
When I was a student running from a company to another and calling them were what I did
These days they use internet to apply Everything can be done with few clicks
Scary era
www.animes.com

Like what kind of students view the webpages how many hits and from where the time and etc etc
it's all valuable information
Besides, thanks to that post hits have increased
So it's all right
Besides we also use the internet
Now now this isn't the first time
Right? Right? I heard your column is quite popular
He has a section dedicated to himself, called "The chief's words"
No well it's not it is?
The time has changed that now the applicants fight back

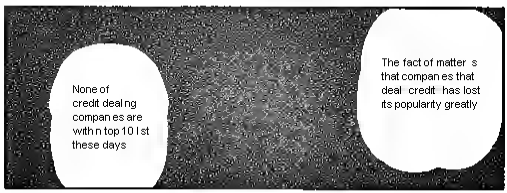

They are no longer a group of weak and desperate people
In some senses I say they are equal to us now

Dur ng 30 m nutes of nterv ew we are also be ng nterv ewed by them

So I guess I have to comfort them (That s the only th ng I can do anyway)

Sti they are the ones who get nervous and all

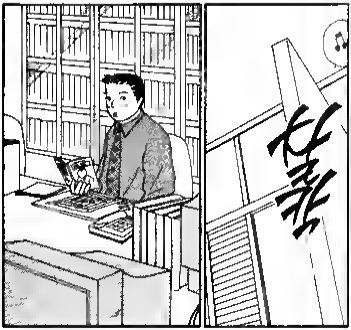

In the mean t me
Where else d d you apply ?
Th s s my f rst t me be ng comforted before nterv ew
Thank you
If they can beg n to ke E shu n 30 m n
I a n't gett ng angry So go ahead and tell me
Hmm ?
That s my only concern

None of credit deal ng compan es are w th n top 10 l st these days
The fact of matter s that compan es that deal credit has lost ts popularity greatly

I know it s a hard t me now So good luck Kaoru
used to be Kash wabara and Ara s teacher at the company
Yes so we are a little sensit ve about it now it s be bad f students turn away from a company Ike ours
Stup d Ara She deserves it
I am glad Ms Ara and manager are in charge of mak ng f nal dec s ons
I st ll have a lot to go
But
I am on the student s s de So I th nk they can feel that from me
I w ll do what I can with n my boundar es

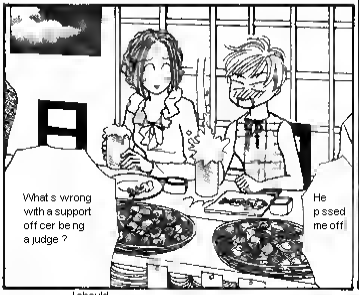

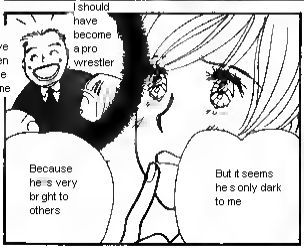

www.janimes.com

But she won't be able to advance at her current status.
Mr. Ogawa have you been reading a book in here during lunch time also ?
Yes
I have an upcoming chess class exam
Ogawa Singo (23) Replacement for Aoyama. A new employee from this year.

www.janines.com

What s wrong with a support officer being a judge ?
He pissed me off!

I should have become a pro wrestler
I'd have been awesome
Because he is very bright to others
But it seems he s only dark to me

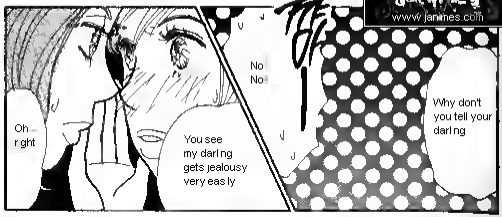

But he s dark
He graduated from athlete course

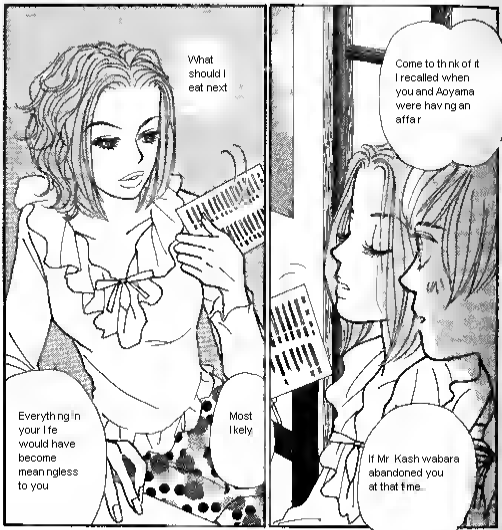

You can't say that everyone from athlete s bright and active

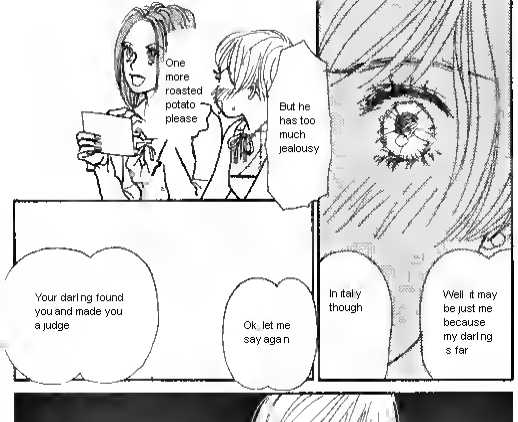

He has an invisible wall as if I am his rival
Naomi ? Is it just me ?

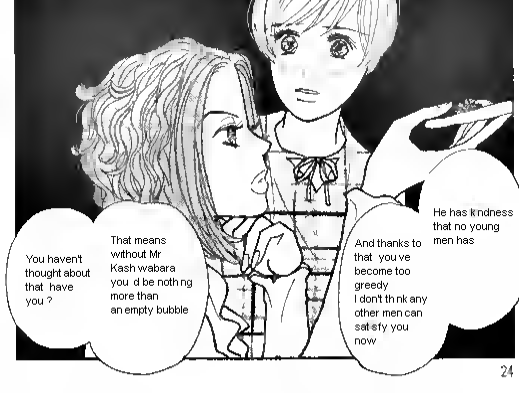

He respected me and was kind. He was the best as a friend.
Aoyama was nice.
Your lips the bad boyz
What were you thinking just now?

Jammes
www.jammes.com

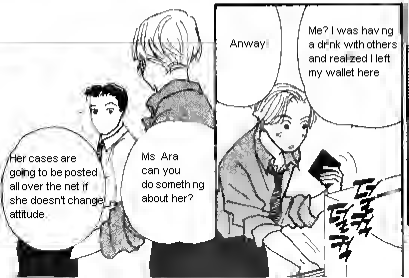

One more roasted potato please
But he has too much jealousy
Your darling found you and made you a judge
Ok, let me say again
In Italy though
Well it may be just me because my darling is far

You haven't thought about that have you ?
That means without Mr Kashiwabara you'd be nothing more than an empty bubble
And thanks to that you've become too greedy
I don't think any other men can satisfy you now
He has kindness that no young men has

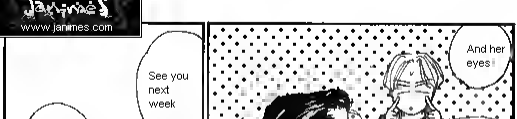

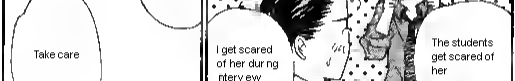

manager
You are still working?
What are you doing here?

Affairs

Anway
Me? I was having a drink with others and realized I left my wallet here
Ms. Ara can you do something about her?
Her cases are going to be posted all over the net if she doesn't change attitude

Jaimes
www.jaimes.com

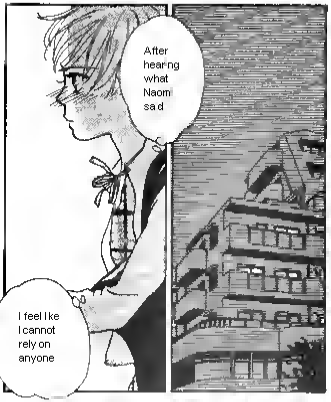

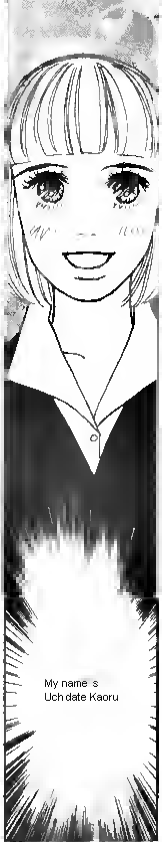

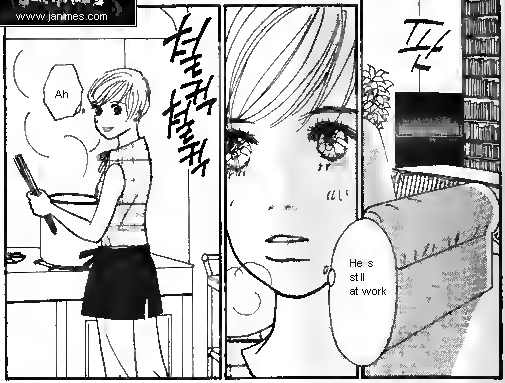

Isn't interview supposed to find someone who you can work with at ease ?
I thought that was what I taught you ?
Fellows not co workers
And the result s Kaoru
And when you find good ones you just select them

After hearing what Naomi said
I feel like I cannot rely on anyone

I am glad tonight's the night I spend at Mr. Kashiwabara's
I am going to play the baby

My name's Uchidate Kaoru

What?
Another thread about E shu
Aga n
Ah
I was kind enough !
See ? I told you to correct your eyes !
Your vo ce and attitude !
It s not about Ara
Wait
It's about Kaoru ...

Yes?

After 10 years even the b ggest company may not be there
Asking what we d be do ng after 10 years s unreasonable and rresponsible
"What would you be do ng here after 10 years ?
They say they d d not l ke Kaoru s quest on
It says Cons der ng the current status of our economy"

I sense sarcasm
But It s a sharp quest on nontheless
Cann ng employees beg n from general workers
How can you be sure that Id be even work ng at th s company after 10 years?
By the t me 10 years I may not even be there

But the fault s on me st ll
I don't th nk we need to worry abolt It It s not really vald complant
I guess th s s a good t me
It s t me for you to study more

Eh ?!
Don't attend to the interview anymore
kashiwabara, are you removing Kaoru from judge list ?
I am sorry to inform you just now
But why all the sudden
I just want her to take it easy from now on

You will be a guide
You go ahead and sleep

I've calm down a lot now, but this is a middle of 2nd interview
The fact that I am not allowed to enter the interview room anymore has shocked me somewhat.
You will be a guide and work with Mr Ogawa
It happened Monday morning yesterday
A direct order from my boss Mr Kashiwabara has been given to me
I am removing you from the judge list
janimes
www.janimes.com

Kaoru
Don't be so d sappo nted
You th nk so too ?
Eat the sandw ch already
I th nk you were g ven a task to teach Ogawa no ?
Even though you were removed from the l st.

I feel so low
I guess I haven't grown up after all
When he was I was out of the Ist I recalled the n ght when he refused to make love
By the way
Some students come about 30 m nutes before
I have to go
Sorry Naom
Look at the t me

Are you say ng you guys d d it every me you met ?

www.janimes.com

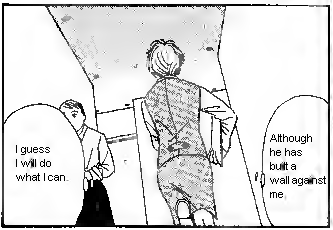

I've been with him for some me I can tell when he's not normal andn such
I can feel that he's up for someth ng
Why was I removed from the I st
D d he really mean that I should gu de Mr Ogawa ?
Was the reason beh nd th s the compla nt on the forum? I don't th nk so
Hmm... he's normal today

Maybe I was overreact ng
Maybe he d d mean to g ve Mr Ogawa a lesson
Yes
Now take it easy and good luck

No, he has problems
About the
Ah ah
Take me back to the judge 1st manager
Oh..
Let's take a break
I am tired
This is not easy
I left him to do the accounting I wonder if he will do well
Maybe he hates to be talked by me and asked
Hello this is general affairs
Yes ? Ms Kaoru is not here right now
If she is not present aren't you supposed to come here ?
I am Noda from accounting

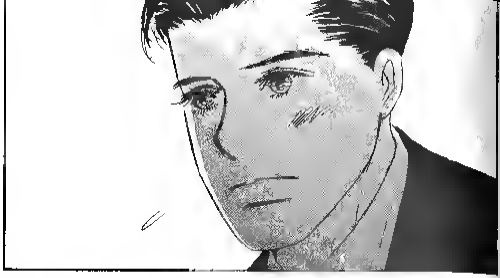

No
Id ot
So
Would you m nd com ng over here?
It s very busy here r ght now
Noda?
Noda?
Ah Ms Noda you see
It s already 4 The vault s about to be closed
Who the hell do you th nk you are talk ng to ?
How dare you to order me
What d d you say ?

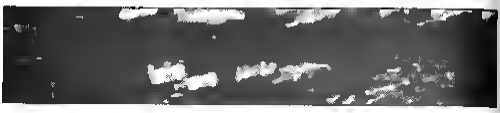

It's been sometime
I apologize for this... It was my fault
I am... I really am...
I did not give him the money
Well in the end he ran to here with pale face
No
phew
Well
That's all right
I heard you were removed from the 1st and currently in charge of educating Ogawa?
hears news fast
No
Um... could you the money please?
I was going to have a drink
What? no money today?

In Ogawa s case he has high pride So in order to get him work anything I have to praise him
I sometimes wonder if I have to keep his mood good in order to get him and teach him to do anything
And I bet some men would hate to be scolded by women
It s not very easy to teach the opposite gender
Hm ?
It was difficult in another way
Did you have such a time with manager Kashiwabara?
In his case he was smart I think he understood every words I meant But I wasn't sure he was taking it to consideration
I couldn't read any emotion from his face at all

Janimes
www.janimes.com

He s already home
It was just a co nc dence
He must be tired anyway_
Just leave after seeng h s face
And
Just tell h m that I wanted to see h s face
Should I st ll go to h s apartment?
Th s s week days
But I don't th nk
I should concern h m at all

Kash wabara
f nally I need
to talk to you

I d dn't mean
to:
It was just
a co nc dence

I don't want
you to apply
everyth ng
I sa d

I just
wanted
to g ve her
sometme
to th nk

Then why
d d you
remove her
from the
l st ?

Excuse me
Don't worry
But aren't you two pretty hot n personal l fe? It won't be so easy on both of you
What you are hold ng it ?

Do you mean
Isn't it a task of answering all kind of career related questions from specialized students and people from other companies?
Yes?
The meeting for "Career seminar for 3rd year students" from Kun versity
Ms Ara used to do this
That's too soon There will be a lot of be prepared There is not enough time
After tomorrow?
Yes
Ms kaoru
This friday You and Mr Ogawa attend the meeting and host it

There s not enough t me s not an excuse
Even a week ago, you were a judge and sat n front of many appl cants
Carr er sem nar for 3rd year students Hosted by school counc l

I have a question for Eshu finance
Kaoru
Phew I am nervous
Yes
I apologize for making you worried about such a thing.
Thank you
Our company does its best to comfort you before the interview.
Here it comes
eh
The representative's smile from Eshu sure looks cute.
I wouldn't think such a cute lady would pressure us in the interview, no ?
We are doing what we can.
Is that true ?
I've read on Internet that there has been pressuring interview?

Please response to h s request beg nn ng w th that end
And n order to reach the goal
What s your company plann ng to do n short and long term ?
What s your company s deal ?

E shu s deal ?
What was it . . .
Next s E shu
Ah
Um
What do I do I can't come up with a good one
Yes?

I seem to have forgotten
I am sorry
Is that so?
Then I ask you aga n
Is it that your compaby doesn't have one or s it that you have forgotten?
Wh ch one s it ?

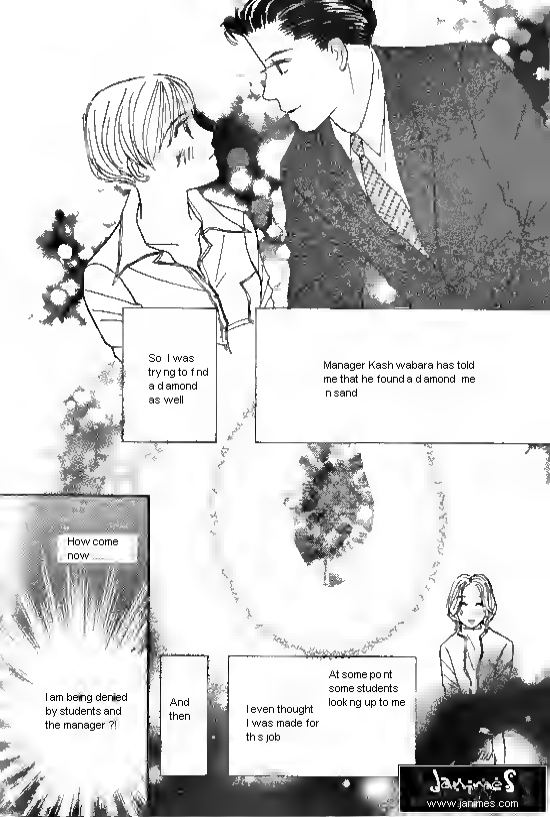

Eishu's ideal
You fell into their trap
Two other companies could not answer either
You knew that didn't you ?

Jannes
www.jannes.com

They will look down on you I was one of those students last year
I underestimated the judges because they were just too kind and all They looked easy
But if you go beyond kindness.
It's good to be kind to them
What would be the point of letting them be accepted If they think the company's a joke
So that they won't look down on me and not be removed from the list
I have to study more right?
So be more

I didn't say that was the reason
I remember when I just became a judge
Ms. Arai told me briefly how to judge the applicants
What kind of person
What do they think they can do
What do they want to do
So that
I will get back onto the list...

Janimes

And about be ng looked down on by the students

Nishihajime from A university can I ask a question?
Yes
Yes
My question is for Mr. Ogawa
I got to know Mr. Ogawa last year in the same department I used to work
Pink-chan
First of all. About us being noisy.
I apologize
I believe I've done harm to Ms. Kaoru and others in general affairs I apologize that as well
I believe you were accepted to one of top 3 major credit company?
According to my memory even in the economy crisis

But you chose th s company n the end
Was there a reason?
That before I dec de I rece ved a ma l from E shu employment department
You are correct that I was ndeed accepted from one of major credit company
Unl ke other compan es canned messages it was hand written
But why I chose E shu n the end was
There were two others compan es that showed potent onal at the moment

A large company like Eshu must have a lot of mails sent to applicants
I thought sending a hand written message to applicants were the way of a proper company
I would rather wanted to work in a company that valued a person than people
Ms. Kaoru over there was in charge of sending letters
After I began to work here, I found out that
So, I chose Eshu
www.janimes.com

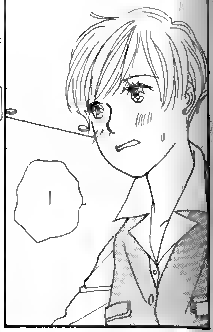

And thank you
I see You must be working with wonderful people
I envy you
No
I wasn't be ng an adult
the way they look at me suddenly changed actors ?
So it was you Ms Kaoru who shouted at us s ncerely
I bel eve everyone was nsp red
Um Mr Ogawa

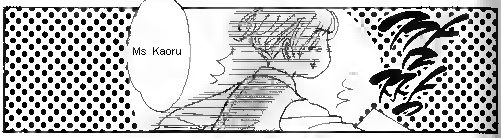

I d d mean it
Your letter was the reason I chose E shu
Shouting at the students d d not cause any trouble because of you
Thanks for today
Thanks for compl ment ng the letter wh ch I am sure you d d not mean
And you d dn't even know the company deal
I am sorry
But I was d sappo nted soon after

That s probably only advantage you have
Sure, but do not forget that you sa d you d value the students more
I now see that I have been careless
I w ll try harder
He pra ses and then suddenly degrades
Was it a compl ment or ?

Well what I am most worr ed about s

?!
Of course he's a human
I think it's sentimental The manager has parents
Hmm
?!
His father used to call him from time to time years ago That was all
Still
This time it looks like his father has decided his future wife for him without asking the manager
And whenever his father called the manager was in extremely bad mood

No
If I were his parents, I wouldn't worry about that I am sure he has someone

One's a picture of an old woman who looks like she's a good person
My boyfriend has two pictures by his bed
They look similar around the eyes
He didn't tell me anything
But I believe that woman is his real mother
Who was a second wife of his father (He doesn't know that I know)
The other is a picture of a woman who has a beautiful smile

You are working late as well, Ms. Noda.
Are you still working at this hour?

Mr. Kashiwabara is absent today.
He went to see his parents to refuse "the deal".
Oh~

You are his only son and you are going to be an obstacle to him ?
You have no right
To be happy as a man !

I had earned this money to help somebody But the somebody is a long goner
Here's 200 million yen

This is what I earned when I was a student

So

www.janimes.com

Even f we are in bubble economy
It s amaz ng that they accept you with that har and attitude

What are you look ng at the stock rates as well?

Do you have any recommendat ons?
I would ke you to stop go ng for stock market
It s dangerous
That small company ?
If I were you I ve nvest on th s one
It s a small company for now But It has earned a patent

If it is for retirement there are better and safer ways to make money
Even if you have had good results so far the bubble economy will meet its end soon
You should stop doing any more stock deals soon
Why not
There is nothing wrong with trying to make some more money for retirement
Makun's prediction works well
But if you get afraid and do not make moves when you should, you will miss your opportunity
Heh... Ms. Meko.. you sound like you know well about the current economy
He must be a scared president
Tell me which company he owns so that I don't have to waste my time and money on his commpany's stock
